Notes: Total students = 55. Responses received = 23.

### Selected responses:

#### What were the strengths of my instructor's course management and teaching style?

- "Clear and direct communication"
- "You engaged the students effectively"
- "He actually had a face to face meeting time. I really appreciate that because learning face to face is sooooo much easier."
- "He has a strict plan that never changed. Dates stayed the same so there was no confusion. It was always consistent."
- "This was a blended course, and I found the in-person component very helpful. Additionally, the video reviews were thorough and helped clear up anything I didn't understand."
- "Nice and put students first"

#### What did I most appreciate about how my instructor interacted with students?

- "It seemed like our instructor wanted us to succeed and pass the class, a every instructor should act."
- "He seemed to thoroughly enjoy teaching macroeconomics."
- "He was so nice!!! Very thoughtful and wanted everyone to do good in his class."
- "I appreciated his attitude towards the class. He seemed genuinely interested in helping his students succeed in his course."
- "He was very personable."
- "Begin very understanding"
